SUMMARY OF EXAMINER INTERVIEW

Telephonic interview held between Thomas Hilbun, USPTO Reg. No. 56,546, Attorney for the applicant, Examiner Tramar Harper and Examiner Kathleen Mosser, held on March 8, 2007 at 2:00 pm Eastern Time (3:00 pm Central Time).

The Applicant's Attorney and the Examiners discussed how the claims may be amended to overcome the obviousness rejections based on the cited art. It was understood that such amendment would require a Request for Continued Examination. This discussion was held in lieu of having a advisory action mailed after the applicant's response to the final office action.

An understanding was reached that directing the claims towards a method of playing the game with additional limitations related to scoring would likely be needed to overcome the obviousness rejection based on the apparatus claiming the configuration of the dice.

Respectfully Submitted,

Thomas E. Hilbun
